FINE LOT OF THEATRICAL ATTRactions ARE COMING

Such Well Known Plays as "The Thief," "A Knight for a Day," "Paid in Full," "The Man of the Hour," "Graustark," "The Winning Miss" and Others Are Booked.

A fine list of theatrical attractions is in store for Calumet theatergoers during the next two or three months. Following the Frank E. Long stock company, which is playing at the Calumet theater all this week, "David Copperfield" will be seen here on Dec. 3.

On Dec. 12 "Graustark," which had such a successful run in Chicago, will be the attraction at the local playhouse, followed on Dec. 15 by "Stubborn Cinderella," a pleasing musical comedy. The Flora de Voss stock company will be seen here during Christmas week, ending its engagement on Jan. 1. This company is an old favorite, and is sure to attract and please. On Jan. 3, the drama, "A Climax," will be presented. The next evening, Jan. 4, the ever-pleasing musical comedy, "A Knight for a Day," will be witnessed. This is one of Frazer's most popular productions.

"The Thief," a high-class comedy drama, will be seen on January 12, and on Jan. 17 and continuing for two weeks, the Carl W. Cook stock company will play here. This company is headed by Mr. and Mrs. Cook, both well known stars. This will be their first appearance in Calumet. The Cook company has been in the habit in former seasons of playing two or three companies, but this season has amalgamated into one strong company.

On Jan. 21, the musical comedy, "The Winning Miss," will be staged. This is to be followed on Feb. 7, by the ever-popular "Paid in Full." This will be the company's third appearance in Calumet.

The week of February 11, the J. D. Morgan stock company will be seen, headed by J. C. Livingstone, who is always popular with the local audience. February 26 will witness the production, "The Man of the Hour." On March 1, Howe's moving pictures will play a return visit to Calumet. "The Time, the Place and the Girl" will be seen on March 10.

March 19 will witness the production of "The Wolf." This is to be followed on April 9, with "Human Hearts," and on April 16, "Poly of the Circus," will be witnessed for the first time in Calumet. Al H. Wilson, the popular singer and actor, will be the attraction on April 18, and on May 7, Steenson's "Uncle Tom's Cabin" will be here.

One of the best attractions for the season will be on May 12, when Blanche Walsh, the great emotional and ever popular actress will produce "In the Test."

The management of the theater is negotiating for several other first-class attractions, and will announce these as soon as secured. The attractions booked so far are fully the equal of former seasons.

LAURIUM DOKAY TEMPLE TO BE INAUGURATED DEC. 6

Korayb Temple, Knights of Khorassan Will Be Established With All the Way From 150 to 250 Members—Unfortunate Tyros are Already Preparing for the Ordeal.

On Monday, December 6, Korayb temple, Knights of Khorassan, No. 147, oasis of Laurium, plain of Houghton, desert of Michigan, will be inaugurated with all the way from 150 to 250 members—all tyros now. It means that the supreme temple officers and members of Al Sirat temple, Duluth, will be on hand and will help administer the water cure, will tie the ropes around the necks of the unfortunate tyros and lead them across the burning sands, will wield the bastinado, administer the hair singe and put vinegar in the blisters raised.

The tyros are to be tied, heel and heel and neck and neck, and dragged in the big pre-inauguration parade, by two donkeys and a camel. Neil Campbell will be chief driver. The caravan will leave Laurium at eight o'clock p. m. that is, half way between seven and nine o'clock, and don't you forget it.

The announcement issued by the initiators of the proposed temple says: "The road for the journey was never better and the camels, elephants and all the animals are in fine condition and feeling frisky. Take advantage of these excursion rates; they will never be cheaper. If you haven't the price for your railroad fare, ride the humpers, the experience will be fine training for you."

The "famous guides" are announced thus: R. V. Fisher, Cashier, State Savings Bank. You all know Jim.

Grand Emir—Webster Dock. The human edition of Arabian Nights.

FINE ATTRACTION COMING.

"Graustark" Will Be Presented at Calumet Theatre Early in December.

In "Graustark," Calumet is to have an attraction early in December that has proven to be a sensation of the times. This play was presented in Pittsburgh on August 24th and the theatre could not accommodate the number of people who were desirous of seeing it, for during the latter part of the week when the public realized the power of this wonderful play there was a mad rush to the box office in a vain effort to secure seats, and on the Saturday night of that week this crowd in front of the theater was so large that the police were called and had to disperse them before traffic on the street could be resumed.

A return engagement was booked, and the scale of prices raised with the result that on the week the receipts were more than \$1,700.00 in excess of the first engagement, and this play and exceptionally clever company created the greatest furore in the history of theatricals in the Iron City.

The plot of the play is taken bodily from the novel of the same name by George Barr McCutcheon, author of the romantic adventure, of a daring American and a Princess, and displays in realistic fashion all the picturesque scenes described by this prolific author in his novel that has set the world of readers talking.

At the regular Review of Calumet Tent No. 218, K. O. T. M. M. Thursday evening, officers for the ensuing year will be nominated. A full attendance is desired.

SALE OF CHRISTMAS STAMPS IS STARTED IN THE COUNTY

Houghton County Anti-Tuberculosis Society Hopes to Raise at Least \$1,500 in This Way—Returns Will be Used to Further Society's Work Against the White Plague.

The annual sale of the good luck stamp of the Houghton County Anti-Tuberculosis society has opened and the society hopes to realize at least \$1,500 through this means for carrying on its work against the white plague. A circular issued by the society's committee on ways and means will probably convey to the public in the best manner the purposes of the sale. The text of the circular is as follows:

"The women of the Houghton County Anti-Tuberculosis society are preparing to carry on a sale of Christmas stamps for the benefit of the society. This sale was carried on last year successfully.

"We are to make a greater effort this year to continue the society's work of prevention of and education concerning the disease of consumption.

"The world is aroused to do this work of alleviating and preventing consumption. Houghton county must take its place in the effort to get the better of this terrible disease, which takes in the prime of life, in the years of greatest usefulness, one-seventh of all who die. Houghton county stands in the third place in the state in the amount of tuberculosis within its bounds.

"To do this work we must have money, and so we are asking everyone to help us. One of our ways of getting this fund is by the sale of this little stamp known all over the country as 'The Christmas Stamp.' It is to be used on all parcels and letters sent at Christmas time.

"As its attractive face tells you, it carries your greeting and wish for good luck, telling everyone when you use it that you are vowing your mite to help this great work against consumption.

"If I have interested you to help this sale, will you use the stamps on all correspondence and notices for the month of December?

"These stamps cost one cent each, and while they do not carry any mail, all mails are glad to carry them and their message of long life and Christmas charm."

Control Your Fat

One can now take off and keep off extra fat at will. If you have an over-fat abdomen or double chin you can clear it away completely without a minute's bother, exercising or dieting. Take a teaspoonful after meals and at bed time of this mixture: 1/2 oz. Marsh-mallows, 1/2 oz. Fluid Extract Cascara Aromatic and 3 1/2 oz. Peppermint Water—any druggist has them—and go on eating as best pleases you; don't worry about results.

The double chin and ponderous stomach will soon show signs of melting away. They will not sag in or wrinkle, however; just go down nice and smooth and even. That effect is due to the harmless natural action of the mixture.

This is explained as follows: Blame overfatness to the stomach. It is getting lazy. Instead of making energy and muscle from your food, it is manufacturing fat. The above mixture corrects this defect and hence it makes you stronger and healthier at the same time. It is taking off of you 12 to 16 ounces of useless fat a day. The reason it affects double chin, hips, etc., first is because the fat on them is softer and can not resist the remedy as long as that on the limbs. But eventually all the fat has to go if you keep up the treatment.
